# New media, many new possibilities

## Dear Readers,

Our print products have gone mobile! With our new e-books, Verlag Bertelsmann Stiftung is making its publications available for iPads and other electronic devices. As of immediately, almost all of the titles in our catalogue are available in EPUB and PDF format, making them ideal for mobile use.

## What we offer:

You can now access our books in digital form, to read on the device of your choice: iPad, smartphone, e-book reader or PC.

## Your electronic advantage:

- Our e-books are less expensive than the printed version.
- You can download them immediately.
- There are no shipping charges to pay.

The Verlag Bertelsmann Stiftung website lists only the most well-known online stores offering our publications. Additional online vendors are listed below.
