On Thursday, April 9th, the Bertelsmann Foundation of North America and the Global Economic Dynamics project of the Bertelsmann Stiftung hosted a webinar on the response to the CoVid19 crisis in the US and Germany.

In this webinar, Philippa Sigl-Glöckner (Dezernat Zukunft) and Adam Tooze (Columbia University) presented their view on what the appropriate economic measures are.

The session was moderated by Tony Silberfeld and Christian Bluth provided an introduction on the economic impact of the health crisis.

A recording on this webinar is now available on our YouTube channel (https://www.youtube.com/watch?v=derzkm7grmA&feature=emb_title).
