Achievements

The Bertelsmann Stiftung develops solutions for social challenges. In doing so, we don't focus on the length of time a project will run. Our goal: to develop projects that contribute to society on their own over time. Here we provide a few examples of what we've achieved.

Annual Reports

Explore the history of our foundation

Since the Bertelsmann Stiftung was founded by Reinhard Mohn, our activities and focus areas have steadily developed. The chronicle highlights the key milestones.

Annual Report

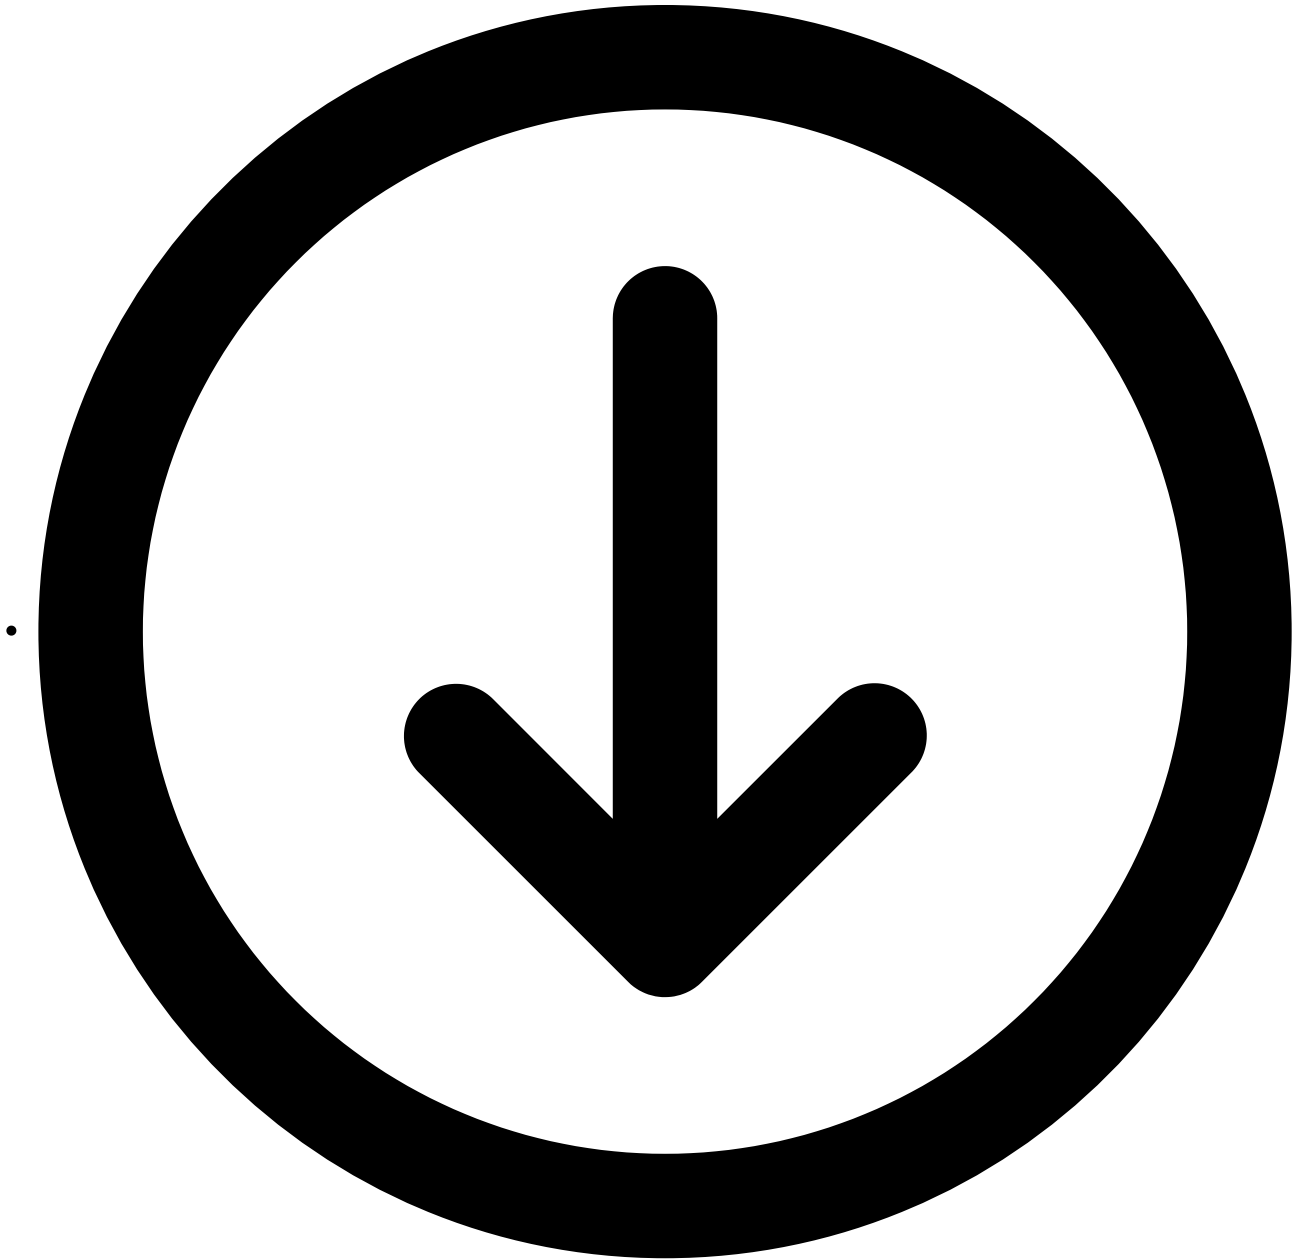

Review of our work in 2020

Preliminary expenditures for the 2020 fiscal year totaled €73.8 million. Our Facts and Figures for 2020 provides a look at the issues we've addressed and the successes we've achieved.
