MYSKILLS – Identifying professional competencies

Looking for work? You have already got some work experience, but maybe you don't have a qualification? With MYSKILLS you can show your professional skills when looking for work.

Video

The test is suitable for all job seekers who have several years of experience in one of the MYSKILLS professions but who do not have a German professional qualification. At the job centre or employment agency, you will find out whether the MYSKILLS test is something for you.

Please find more information on the **MYSKILLS website** (<https://www.myskills.de/en/>).
