## Reinhard Mohn Prize 2020 – Highlights from the award ceremony

Highlights from the presentation of the 2020 Reinhard Mohn Prize on the topic "Fostering Innovation. Unlocking Potential." in Gütersloh on October 28, 2021.

### Video

Our prize winner Nechemia (Chemi) J. Peres, entrepreneur and chairman of the Peres Center for Peace and Innovation in Israel, accepts the €200,000 award from Liz Mohn, founder and honorary member of the Bertelsmann Stiftung Board of Trustees. The award honors Chemi Peres for his outstanding commitment to promoting innovation that serves both business and society. Due to the pandemic, the prize was not awarded until 2021.

Curious? The **recording of the award ceremony** is available [here](#).
